

Heavy Duty Iron Brackets

Product URL <https://signaturethings.com/heavy-duty-iron-brackets>

Short Description: Heavy Duty Brackets are designed for, 1-5/8" rods, and heavy panels. All brackets are sold individually. Brackets will be made to coordinate with the rod size and style ordered. Most brackets are drop in style and feature a set screw that securely locks the rod in place after installation. Projection is measured from the wall to the center of the rod. Touch up paint is included to match screw heads if alternate mounting hardware is required. Professional installation into studs or wood backing is advised. [View More Options for Iron Finishes](#)
