Product URL <https://signaturethings.com/arts-crafts-push-plate>

Short Description: Arts & Crafts was an international design movement that flourished between 1860 & 1910, especially in the second half of that period, continuing its influence until 1930's. The distinctive window-pane pattern, originally known as Bastile, was designed by Pacific Hardware of Los Angeles around 1912. This classic design really comes alive in the Antique Brass and Venetian Bronze finishes. All BRASS Accents finishes are hand-rubbed and assembled in USA. Flat surface of plate is 1-13/16" x 8-1/2".
