Short Description: Arts and Crafts was an international design movement that flourished between 1860 and 1910, especially in the second half of that period, continuing its influence until the 1930s. The distinctive window-pane pattern, originally known as Bastille, was designed by Pacific Hardware of Los Angeles around 1912. Made from solid brass material. Classic design. Hand-finished then clear coated for added protection and lasting beauty. It is sure to add charm to any home. Installation screws in the matching finish are included.
