

GRAF BIG Knob in Stainless Steel Look, Brushed Black, or Brushed Dark Brass

Product URL <https://signaturethings.com/graf-big-knob>

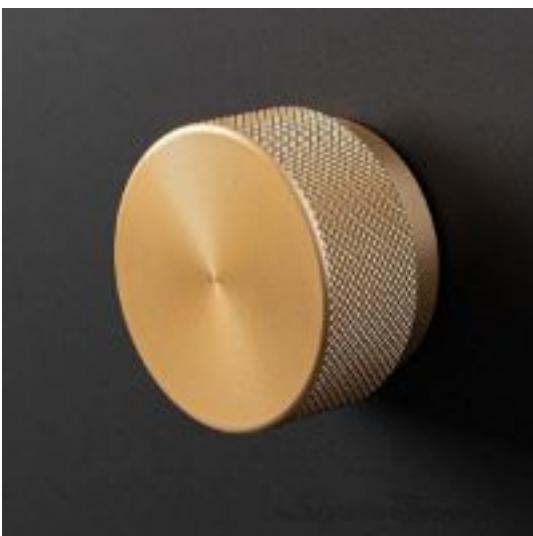

Short Description: Sizes : 1) Diameter 1-1/2" (38 mm) 2) Diameter 2" (50 mm) Available in 2 sizes, 3 finishes GRAF BIG Knob in Stainless Steel Look, Brushed Black, or Brushed Dark Brass The knob Graf Big has increased its measurements adding new options to the bestselling Graf knob. Manufactured in aluminum it has a mesh shaped profile which ensures a perfect grip when it is used. Following the elegance and sophistication characteristic of its bestselling predecessor, the knob Graf Big brings its own personality to drawers, doors and chests of drawers onto which it is fitted. Available in three measurements and three finishes – stainless steel look, dark brushed brass, and brushed black – it brings great versatility of combinations to bedrooms, dressing rooms, kitchens and bathrooms. You can mix different measurements and finishes of the knob or even combine it with other products from the same collection such as the Graf Big handle and the Graf Big long.
